

WE ARE HIRING

Working student Product Management (M/F/D)

Part time in Ilmenau, Erfurt, Munich

YOU WANT TO LIVE IN A GREEN AND SUSTAINABLE WORLD?

Great - so do we at AMPEERS ENERGY! As a young energy turnaround start-up from Munich and spin-off of the Fraunhofer-Gesellschaft, our heart beats for energy and green software solutions. With our innovative business models, such as tenant power and controlled charging, we help companies to implement the energy turnaround profitably and sustainably. True to the motto: Making the energy turnaround simple! If you too want to make an active contribution to a green future, then you've come to the right place.
