

WE ARE HIRING

Munich, Erfurt, Dresden or remote

Back-End Developer (M/F/D)

WOULD YOU LIKE TO SHAPE THE FUTURE OF THE ENERGY?

Great - then become part of **AMPEERS ENERGY**. As a young energy start-up from Munich and a spin-off of the Fraunhofer-Gesellschaft, our heart beats for energy-efficient and sustainable software solutions and clean code flows in our veins. With our IT and industry know-how we want to make the energy revolution so appealing to companies that there is no reason not to tackle it. How do we do this? - Quite simply: With innovative business models such as tenant flow and managed charging. And with a massive stack!

YOUR ROLE

- _ You code at the heart of our cloud components
- _ You analyze complex processes and data flows
- _ You understand complex cloud architectures
- _ You want to develop yourself and the team

OUR OFFER

- _ Home office & trusted working hours: You decide when and where you are most productive
- _ Modern office in the heart of Munich, Erfurt or Dresden
- _ Personal and professional development - beyond silos
- _ Support of own ideas
- _ Team spirit instead of trench warfare
- _ Really great colleagues
- _ A job you can be proud of

YOUR SKILLS AND QUALIFICATIONS

- _ A degree with a focus on IT
- _ A clean and well-structured style in programming & good ability to communicate your ideas
- _ Knowledge in the development of web services (JSON/REST/GraphQL) & secure handling of NodeJS and/or Python
- _ Machine learning competencies
- _ Experience in working with relational databases
- _ Openness for self-organised, agile working methods
- _ Nice to have: DevOps
- _ (Really) nice to have: Tablesoccer & Dart-Skills
